CSA Chicken Market Share Form: 2011 Season

This is an agreement to enroll in a Chicken Market Share.

The CSA Chicken Market Share begins, around early to mid June, and carries on for 24 weeks. Shares will be available for pickup at the farm every Saturday afternoon of the season, or at one of our farmer's markets at either, Pepsico Farmer's Market in Purchase, NY, The Larchmont Farmers Market, NY, Cooperstown, NY or Gossett's Farmer's Market in S. Salem, NY.

We are certified organic by Demeter USA.

Certified Organic Pastured Chicken Share –

Delivering a chicken, or two, once a week. The chicken share starts as soon as they come available, around the beginning to mid June, and carries on for 24 weeks. The chicken will be fresh when we process—about 4-6 times a year, otherwise they will be freshly frozen in vacuum sealed bags.

We will supply one chicken a week for the market season, totaling 24 chickens. Chicken weight will fluctuate according to time of year but will average out to at least 3.6 pounds per chicken.

Pricing –

A full share is \$420

A double share is \$820

Half payment is due upon beginning of the market share. The other half payment is due mid-way through the season, the first week of September.

Below, please fill out your name, address, home and cell phone, and, if you please, your email for inclusion in our farm email product and info list. P.S. your info will not be shared with anyone.
